

How to Apply for Subsidized Apartments

To ensure that we are able to meet the unique needs of each applicant, please complete the following three-part admission process. This includes:

1. An **application**, including a financial disclosure of your income and assets. This is used to determine eligibility for our subsidized housing program. You may also be asked to verify your income and assets.
2. **Contact the Manager** and try to make a personal appointment to discuss apartment availability and any questions you may have about the application process.
3. A **background check** will be completed on all applicants for housing at Senior Housing Options managed property.

Security Deposit: Each resident is required to make a security deposit. This deposit will be the same as the monthly rent.

Please maintain contact with the Apartment Manager about the status of your application.
