AMERICA'S GREATEST GENERATION NEEDS YOUR HELP

The generation of the 1930's, 40's and 50's. The people who made this great country we enjoy today. But many of these true heroes are facing difficulties as they age.

That is why I believe so strongly in Senior Housing Options. This nonprofit organization provides affordable housing and assisted living residences to often neglected and forgotten older adults.

Please join me in helping them. Simply enjoy one of our specials on Monday night and 20% of the price will be donated to Senior Housing Options.

Enjoy a great Poppies' entrée, help a great cause and help our Greatest Generation. It doesn't get any better than that!

Also please check out Senior Housing Options' website at www.seniorhousingoptions.org to find out more about their terrific programs.

All the best,
Bob Newell
